Doug Philp, Chairman
400 Burlington Road
Pittsburgh, PA 15221

Dear Doug:

The Planning and Zoning Committee of council reviewed the suggestions from the planning commission regarding the next steps in the ongoing implementation of the comprehensive plan. They believe that the steps outlined are appropriate but ask that the commission concentrate on the following three initially:

- Item no. 10. Kenmore Avenue zoning review
- Development of walking routes as identified as emerald necklace
- Review the S2 on Kite Hill; perhaps to S3

Funding has been allocated to allow the commission to continue work with EPD as their consultant and I will contact EPD to that effect.

Please let me know if you have any questions or if the commission needs any further information. On behalf of council and the mayor, please know that we appreciate your work and that of the commission.

Sincerely,

A handwritten signature in blue ink that reads "Steve".
