

Forest Hills Planning Commission

MINUTES OF 9/26/12

COMMISSION MEMBERS IN ATTENDANCE: Norm Keller, Doug Philp, Marilyn Gelzhiser and Lisa Michel.

Absent: Bob Thompson, Scott McGraw & Steve Greenberg
Meeting started at 7:35 p.m

Minutes of the special 7/25/2012 meeting (Roman's restaurant signage) were approved.

Mr. Keller moved that we approve the draft ordinance pertaining to Marwood rezoning as S-1 Special to Residential Medium Density Residential District. Ms. Gelzhiser seconded and motion was unanimously approved.

The application of Subdivision of Joseph Sciaretti was moved for approval by Ms. Gelzhiser, seconded by Mr. Keller and unanimously approved.

The Commission recommends further refinement of the Mission statement.

The Commission appreciates the efforts of the Council in deriving the strategic plan and the challenge of drafting the mission and vision statements that summarize the plan.

Upon review it appears that the three "Vision" points are more conceptually a mission statement. The lead-in should be combined with the "current Mission" statement, at it is more stylistically a vision statement.

The tone of the current Mission statement (suggested Vision Statement) rings more of governmental duty rather than a statement of the community aspirations.

Next scheduled meeting: 7:30 pm October 31, 2012

Meeting adjourned 8:25 PM
