

Invitation for Public Commentary

As part of the PA Rapid Bridge Reconstruction Project, Plenary Walsh Keystone Partners will replace a culvert located on Ardmore Boulevard, over Falls Run (tentatively scheduled for summer 2016). The location of this site may affect your use of Forest Hills Park; we invite the public to comment upon the impact.

Further information on the design is included on the plans display located at the Forest Hills Borough Building, 2071 Ardmore Boulevard, Pittsburgh PA 15221. The plans will be on display from Friday, October 23, to Monday, November 23. Please provide your comments on the questionnaires located near the plans display. Questionnaires can also be obtained by calling the project hotline or emailing info@parapidbridges.com. Please submit your comments by **Monday, November 23**. Please refer to the specific project (**MPMS #28154, Bridge Key #664, JV398**) in your comments or inquiries.
