Presented to
Braddock Hills*

BOROUGH OF SWISSVALE FIRE DEPARTMENT & SWISSVALE VOLUNTEER FIRE DEPARTMENT

PRESENTED TO BRADDOCK HILLS COUNCIL ON OR ABOUT 3/14/13

TERM OF SERVICE

The term of service under this proposal would be for five years, specifically as follows: the remainder of 2013 (April through December), 2014, 2015, 2016 and 2017. A rate increase of three percent (3%) will occur after three (3) years to offset inflationary costs.

A mutually agreeable option to renew can be arranged and written into the agreement. We would propose an option to renew for an additional five (5) year term with considerations for increased inflationary costs.
